

## AMATEUR RADIO TRAINING AND ASSESSMENT

- What:** Foundation Licence Training & Assessment and Standard, Advanced and Regulations exams
- When:** Sunday 3<sup>rd</sup> May **0830**-1730 Please be there on time as there is a fair bit to cover on the day.
- Where:** **Baha'i Learning Centre**, 275 Flinders Street, Adelaide. Sunday on street parking is free on Flinders St and there are a few off road car parks at the ends of the building (marked in green).

- Cost:** \$10 payable to AHARS on the day to cover incidental costs.
- Manual:** At present we are using the free Foundation Manual attached to the accompanying email.

## Adelaide Hills Amateur Radio Society

**Register:** Please enter your details on this page

[Get Licensed | AHARS](#)

**You must register** so that we have sufficient exam resources and can better schedule activities.

**Please bring the following:**

- ID – Driver's licence, Passport, Medicare or Student ID
- Lead pencils/Biros/Eraser
- Notepad
- Basic non-programmable calculator (ACMA stipulate that phones must be turned off during exams)
- Your lunch – only 30min for lunch - insufficient time to shop – tea, coffee, biscuits will be provided
- Cash \$10 for AHARS incidental costs

**Exams:** Foundation 30min, Regulations 30min, Standard 60min, Advanced 90min, Practical ~45min

## Adelaide Hills Amateur Radio Society

This is an approximate schedule for the day – I have run with this one-day format on many occasions and if everyone cooperates good results can easily be achieved.

<i>Time</i>	<i>Foundation</i>
0830	Welcome
0835	Training
1030	Morning tea
1035	Training
1200	Lunch
1230	Practice exam questions
1300	Exam
1330	Practical exams
1500	Afternoon
1505	Practical exams
~1700	Finish

The timing of the upgrade examinations is dependent on the number of candidates and assessor availability. Please contact me to confirm upgrade exam timing.

**Enquiries:** Please call Paul on 0418803177 if you have any queries or have difficulties finding the location.
